# Quadrants of Public Financial Management

PHALGA 16th Geographical Conference for Northern Luzon
March 21, 2024

Atty. Odilon L. Pasaraba, CESO III
Undersecretary for Project Development Management

The Capacity-Performance Quadrant

Y-axis: LGU PERFORMANCE (P)
X-axis: LGU CAPACITY (C)

|	
QUADRANT 2 Low C, High P LGUs	**QUADRANT 1** High C, High P LGUs
QUADRANT 3 Low C, Low P LGUs	**QUADRANT 4** High C, Low P LGUs

Q1: EVOLVE – into sources of good practice and innovation, and exemplars of local governance under full devolution

Q2: ENABLE – to unlock capacity issues to seize in full the promises of full devolution and reinforce performance as a result of targeted CapDev solutions

Q3: ENGAGE – to catch up with other LGUs, and provide them with targeted CapDev solutions

Q4: ENERGIZE – to translate this into high performance in the context of full devolution through targeted CapDev solutions

The Capacity-Performance Quadrant

LGU PERFORMANCE (P)

QUADRANT 2	QUADRANT 1
Low C, High P LGUs	High C, High P LGUs

QUADRANT 3	QUADRANT 4
Low C, Low P LGUs	High C, Low P LGUs

LGU CAPACITY (C)

Utilizing the Capacity-Performance Quadrant by:

1. Thoroughly **analyzing the direction of local government units (LGUs)** so as to determine the appropriate interventions given its performance and capacity;

2. Proposal and implementation of solutions and interventions through **appropriate legislative action**; and,

3. Creating **results** that improve the performance and capacity of the LGUs

Ensuring Food Security and Nutrition
LGU Participation in the KADIWA ng Pangulo

DILG Memorandum Circular 2024-003

This MC, as part of the effort to localize the KADIWA ng Pangulo program, encourages LGUs to set-up a KADIWA Centers in their respective localities every 15th and 30th of the month and tasks them with institutionalizing the program, providing a venue, managing the stalls, ensuring peace and order, posting IEC materials, among other responsibilities.

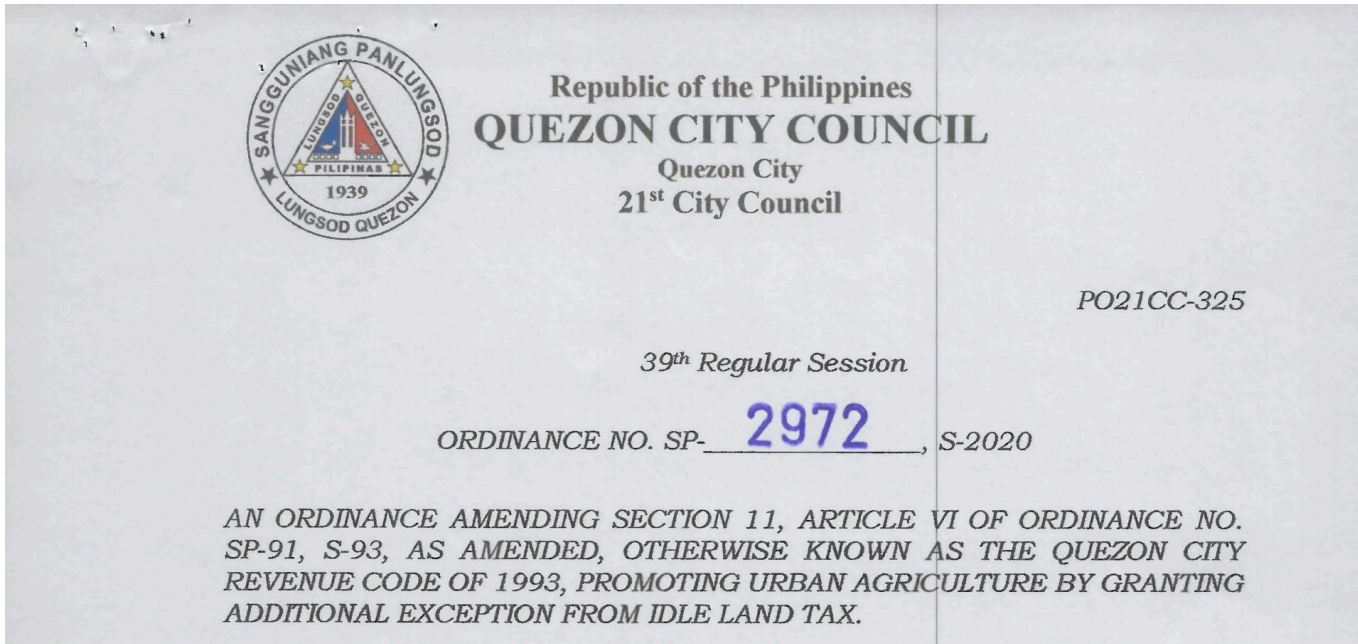

Localizing the KADIWA Program

LGUs have started to establish their respective KADIWA centers in their localities.

For example, in Tuguegarao City, a KADIWA Center was set-up by the LGU in coordination with 20 micro MSMEs, 4H Club members, Rural Improvement Clubs (RICs), and City Agriculture and Fishery Councils

Ensuring Food Security and Nutrition
Quezon City's Urban Farms

Republic of the Philippines
QUEZON CITY COUNCIL
Quezon City
21st City Council

PO21CC-325

39th Regular Session

ORDINANCE NO. SP-_____2972_____, S-2020

AN ORDINANCE AMENDING SECTION 11, ARTICLE VI OF ORDINANCE NO. SP-91, S-93, AS AMENDED, OTHERWISE KNOWN AS THE QUEZON CITY REVENUE CODE OF 1993, PROMOTING URBAN AGRICULTURE BY GRANTING ADDITIONAL EXCEPTION FROM IDLE LAND TAX.

Local Legislative Action:

Quezon City's Sangguniang Panlalawigan passed **SP 2972 s. 2020** which exempts idle properties from idle land tax if they are used for **urban agriculture**, provided that it is utilized for such purpose for more than three (3) years.

Agricultural produce yielded from these lands can be for personal or public consumption.

Result:

More than 1,026 urban farms were established in Quezon City in December 2023, a rise from 754 from the start of the year. 25,000 resident urban farmers working in green jobs also benefited from the program

MANILA BULLETIN

METRO NEWS

QC LGU establishes 1,026 urban farms in 2023

Best Practices in Nutrition and Health
Del Carmen, Surigao del Norte's Seal of Health Governance

- Galing Pook 2023 Awardee
- Initiative to **strengthen health leadership at the barangay level** through recognition and incentive
- Performance indicators and targets which aim to address malnutrition, maternal death, poor sanitation, infectious diseases, etc.
- Led to substantial decrease in the malnutrition rate, from **19%-20%** in 2022-2014 to **1.3%** in 2022, among other improvements.

Local Investment Plan for Health (LIPH)
Prioritizing Health in our Communities

"My dear friends, nais ko ring ipaalam sa inyo na **90% ng ating mga LGUs** ang meron nang **Annual Operational Plan** para sa kanilang **Local Investment Plan for Health**.

Ito ay senyales na bibinibigyang prayoridad ninyo ang kalusugan ng inyong mga mamamayan."

Atty. Benjamin C. Abalos, Jr.
DILG Secretary
during his 2024 New Year's Call Speech

Battling Chronic Kidney Disease
DILG Partnership with Astrazeneca and other stakeholders

uACR Machines

This program gives the twelve (12) provinces present with the urine albumin-creatinine ratio or uACR Machines that will make detection of CKDs easier.

Battling Chronic Kidney Disease (CKD)

Signing of a memorandum of understanding (MOU) between the DILG, representatives from twelve provinces, Astrazeneca Philippines, Philippine Association of Diabetes Educators (PADE), Association of Diabetes Nurse Educators of the Philippines (ADNEP) for the ACT NOW (Addressing Complications Today through Network of Warriors) program.

Best Local Practices for Water Security
Anao, Tarlac's Water System

Republic of the Philippines
Province of Tarlac
MUNICIPALITY OF ANAO

OFFICE OF THE SANGGUNIANG BAYAN

RESOLUTION NO. 2009-007

RESOLUTION ENACTING MUNICIPAL ORDINANCE NO.2009-133-
" THE ANAO WATER SUPPLY SYSTEM ACT"

Local Legislative Action:

In an effort to "guide, control, and regulate the development of the Municipality's water supply system," the Municipality of Anao, Tarlac passed **Resolution No. 2009-007**, which further systematizes the operation and management of the the water system.

Result:

Despite being a relatively small town, Anao, Tarlac was given recognized during the 2023 Kwentong Tagumpay for their commendable performance as a water utilities body.

Effective Coastal Resource Management
Best Practices of Libertad, Antique

Photos from LGU Libertad

- Implementation of its Coastal Resource Management Plan since 1996
- Establishment of Marine Protected Areas
- Engagements with neighboring municipalities, NGOs, NGAs, and the community
- Using "OurFish" digital app to monitor fish catch
- Digital enrolment of fisherfolks
- Mapping municipal waters through GIS

Supporting Enhanced Water Supply and Sanitation
Official Launch of the SAFPB Program in Cebu City

Among the aims of the **Support and Assistance Fund to Participatory Budgeting (SAFPB),** which was launched last February 21, 2024 in Cebu City, is to further and accelerate the provision of access to safe, sufficient, and improved water supply to LGUs.

The SAFPB will provide **seventy-five (75) LGUs** across the country with **PHP 13 million** to achieve this goal.

Ensuring Peace and Order
Protecting Communities from Fire

One hundred and twenty-three (123) local government units will be provided with a **firetruck and fire station** by the end of the year, ensuring that all LGUs across the country will have the necessary equipment and facilities to fight-off fires.

Education for Human Capital Development
Example of Barangay Taloot, Argao, Cebu

Barangay Taloot Community-Based Integrated Approach

- Addressing learners' struggles in terms of literacy
- Harnessing the purok system through the "Kapurok ko, Karamay ko" program to improve student performance, parent participation, and community ties
- Created momentum of decline in the number of non-readers
- Tied with "Backyard Gardening Program" to address malnutrition

Ensuring Social Protection
## Actions for our Sectors

National Youth Convention 2023

Over 1,000 Sangguniang Kabataan (SK) officials of their duty as elected **youth leaders** and their role and responsibilities in addressing societal problems.

18 Day Campaign to End Violence Against Women

Raising public awareness on **gender based violence (GBV)** and fostering conversations on issues related to violence against women (VAW)

Executive Order No. 51, which reinforces the **Diversity and Inclusion Program**, with the DILG Secretary as Vice Chair of the Diversity and Inclusion Committee.

Local ordinances with **anti-discrimination measures**

Utilizing the Capacity-Performance Quadrant towards Legislative Action and Development of Human Capital
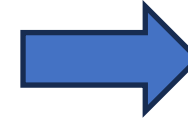

Analysis

Return to the Capacity-Performance Quadrant to determine current situation and appropriate interventions

Legislative Action

Based on analysis, create appropriate local legislative action that suits the needs of the community and targets opportunities for growth

Results

Implement programs to create tangible and sustainable programs that deliver results to the community. Use results to further improve capacity and performance of LGU

Thank you!
